Each day/entry is worth 10 points with 2 points for stamps; this means there is wiggle room for missing up to 2 days of entries, if you have all the stamps. (So if you have 28 entries COMPLETE and all 10 stamps you can receive 100%, if you have 30 COMPLETE entries and no stamps you can receive 100%.) I will be checking for completeness and fullness of answers. Titled pages with blank pages or inadequate writing will result in a 0 for that entry.
